OFFICE CLEANING

From desks to workstations, streak-free and sparkling windows, highly polished floors, immaculate washrooms to coffee / lounge areas that truly stand out, we will tailor a solution that creates a welcoming environment for your clients and that complements the reputation of your business.

Well trained and trustworthy staff, reassuring quality control processes, managed absence cover and a fully flexible service all mean you can concentrate on running a successful business knowing that you're cleaning is in the safest hands.

SHOPPING MALL CLEANING

AMBCS can provide all cleaning services internally and externally during operation hours and after closing hours with specialist equipment such as auto scrubbers, duplex machines, polishers, and steam cleaning equipment required to maintain the centre to a high standard including supply and restock all wash room facilities (with paper products, soap, air-sanitizers, and sanitary bins) .

RETAIL STORES

People want to shop in a clean environment because it's a reflection of your business.

Customers feel safer, their confidence in you is higher, and your sales are enhanced by a well-kept enterprise.

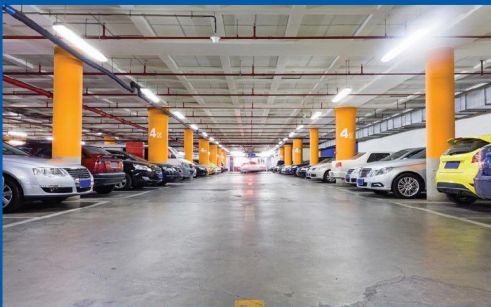

Just let us know and AMBCS will take care of it.

AUDITORIUM / CINEMA CLEANING

At AMBCS we understand that Cinema is a time sensitive business and it is important to have a comfortable and pleasant environment for your clients to enjoy themselves at your venue.

We offer one off deep clean as well as periodic cleaning to ensure that the clean environment will leave your customers with a positive and pleasant cinematic experience.

PARKING BUILDING CLEANING

If it is One Time or Periodic cleaning of any magnitude.- we can do it all using suitable heavy duty sweeping machines, industrial scrubbing machines with right chemicals.

We can manage cleaning concrete, epoxy painted floor, roof top parking shades, fire exit staircases, lift lobbies and management offices.

“Our Business is making yours Shine”

SCHOOLS / NURSERIES / UNIVERSITIES

We focus on providing top-quality cleaning services to all kind of educational amenities. Your students need a clean as well as safe environment free of distractions. AMBCS uses safest best practices and eco - friendly materials without compromise on safety to enable your students to focus on the daily tasks without worrying about hygiene. Our highly-trained personnel to support your facility so that your students can get ready for life forward. We aim regularly to exceed our own expectations.

WAREHOUSE / STORES & MNFG FACILITIES

Our Warehouse Cleaning service will ensure your facility is properly cleaned and sanitized through a number of customizable cleaning tasks that include but are not limited to floor cleaning, carpet cleaning, pressure washing, HVAC duct cleaning, internal walls, ceiling / roofs, external facade, interlock area & parking shades.

GYMS/ SPAS TRAINING CENTRE

People spend time at your facility to get healthy. With many people touching the same surfaces throughout the day, your fitness centre, gym or spa needs a professional cleaning service that is certified to use hospital-grade disinfectants and the best commercial cleaning equipment.

- Help reduce the spread of colds, flu and other infectious germs.
- Control fungus and mold in showers, locker rooms, restrooms.
- Disinfect and professionally clean your fitness facility consistently.

DATA CENTER

Cleaning and dust removal in a data centre, computer room, server room or comms room is vital to the reliable operation of equipment containing mission-critical data. Annual sub-floor and regularly scheduled above-floor services keep the room free from harmful dust and contaminants that can infiltrate equipment, cause overheating and decrease operating life.

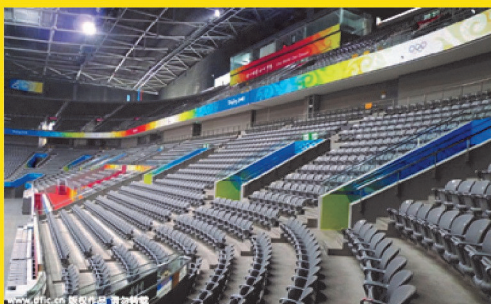

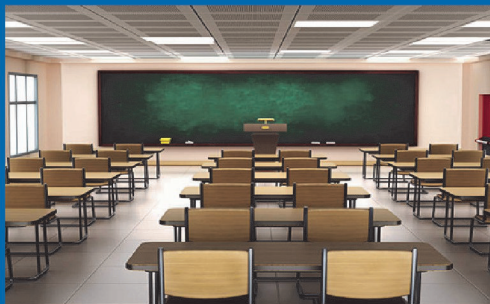

Our teams of highly trained data centre cleaning experts are experienced and knowledgeable when it comes to these kinds of specialist cleaning jobs.

EVENT / VENUE CLEANING

Size and scope are no challenge for our cleaning experts. Outside of traditional office space, we can provide pre and post-event clean up services. Right from seat cleaning, walking aisle, stage areas, F&B counters, toilets, breake areas etc...

HOSPITALS & MEDICAL CLINICS

Hygiene is all important in hospitals and nothing can be left to chance. Hospitals need man and machine to work together flawlessly. No exceptions. Professional technology must assure the highest standards of safety and cleanliness. A clear case for AMBCS who will provide the best cleaning solutions.

RESTAURANT / COFFEE SHOPS / BARS

And much more such as washing windows, doors and glass, vacuuming and mopping dining floors, vestibule, bar area, cobwebs, dust on light fixtures, and dust on other stationary bars, objects such as wall art and table decor. We specialize in cleaning Kitchen Equipment including floor drains in kitchens. The bathrooms is a crucial area in a restaurant, and AMBCS ensures to keep them clean daily. We are experienced and understand to work with every client to build a schedule that satisfies them.

RESIDENTIAL CLEANING

Home deep cleaning is always a large task whether you're moving in to a new home or vacating a property. AMBCS highly skilled team can be relied upon to deep clean homes to the highest of standards by using safe and environmentally friendly chemicals.

Steam cleaning, disinfecting bathrooms, grease removal, balcony rail washings are all dealt with by our team for your home. Whether it's for a new tenant, or just if you're moving into a new office – let our cleaners do all the work for you.

POST CONSTRUCTION DEEP CLEANING

We work with new build principle contractors, designers, architects, refurbishment contractors and private individuals across UAE to provide the finest post construction cleaning service.

Whether you are looking for a builders cleans, sparkle cleans, and ongoing cleans for your building or construction site our post construction cleaning team can help.

Our post construction cleaning team will supply all the necessary documents for the service that will include PPE, Method Statements and relevant Risk Assessments.

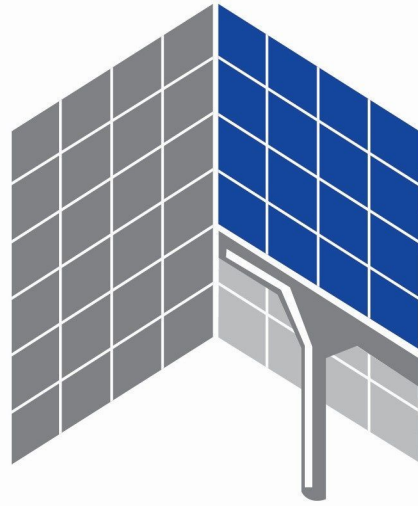

“We chose AMBCS simply over other cleaning companies because they deliver what they promise. Attention to detail, using best safety practices & eco-friendly products without compromise and completing on time is their commitment. I would continue using them and recommend to others as well”

Project Manager, **KHANSAHEB**
